LET ME INTRODUCE MYSELF

Hi, I’m Nikita

I’m the heart behind With Every Detail! My passion for event styling was sparked while planning my own wedding, where I fell in love with the process of curating beautiful, meaningful moments. Every small detail, from the signage to the table settings, felt like a reflection of my love story, and I quickly realised that I wanted to help others experience the same magic. *That’s how With Every Detail was born.*

I know firsthand how overwhelming wedding and event planning can feel, and my goal is to make the process seamless and stress-free. Whether you're looking for full event styling, professional setup, or custom signage, I’m here to bring your vision to life with creativity, precision, and a touch of elegance.

At With Every Detail, we believe that styling isn’t just about making a space look beautiful, it’s about crafting an atmosphere that feels intentional, personal, and unforgettable. From modern minimalist aesthetics to timeless romantic settings, I work closely with my clients to design events that truly reflect their unique style.

Let’s create something magical together.

The Booking Process

At With Every Detail, we believe planning your event should be as enjoyable as the celebration itself. Our streamlined booking process ensures a stress-free experience, from the initial consultation to the final setup.

We start with a **free 15-minute consultation** where we discuss your event vision, styling needs, and any specific signage or décor requests. Whether you're looking for full event styling or just a few key pieces, this is the perfect opportunity to share your ideas and ask any questions.

How to book a consultation

- Fill out our online inquiry form
- Send us an email or DM on social media

01

Custom Quote & Proposal

After our consultation, we'll put together a detailed styling and signage proposal tailored to your needs, including a personalised quote based on your event size, requirements, and chosen services; a mood board & styling direction (for full event styling clients); and custom signage mock-ups if applicable.

02

Secure Your Booking

To confirm your booking, we require a signed contract (outlining all agreed-upon services); a non-refundable deposit to secure your event date – **20%**; and the remaining balance to be paid as per the agreed schedule.

03

Design & Planning

This is where we bring your vision to life! We refine your styling plan, select décor, and finalise all design details. If you've ordered custom signage, we'll send you a digital preview for approval before production. For full event styling, we coordinate with vendors and create a detailed setup plan.

04

Event Day Styling & Execution

For styling & setup clients – on the big day, our team will arrive early to set up your event space with precision and care. We ensure every element is flawlessly arranged, from table settings to signage placement.
